'Alegría (Joy), jewels'

Internationale sieradententoonstelling

curator: Luis Acosta

'Alegría is the title of a versatile exhibition with wearable contemporary jewellery, made by 32 jewellery artists. The exhibition was put together by the Argentinian-Dutch jewellery designer Luis Acosta. In the spring of 2024, he called on colleagues worldwide to respond to the theme Alegría (happiness/joy/pleasure) with a maximum of 10 pieces of jewellery. He then selected 32 artists from 166 entries.
